

The CSOE Welcomes New Faculty Member

The Citadel School of Engineering is pleased to welcome Dr. Steven L. Horner as an Associate Professor into the Electrical and Computer Engineering Department. Dr. Horner received his Bachelor of Science in Electrical Engineering, Master of Science in Electrical Engineering, and Doctor of Philosophy in Electrical Engineering from the University of Tennessee. His areas of expertise are in VLSI Design and Digital Circuit & System Design. Dr. Horner has taught as an Assistant Professor of Electrical and Computer Engineering at Bucknell University and the University of Wyoming. He brings to The Citadel not only a strong record of teaching excellence but also a strong research record in Biomedical Engineering/Signal Processing as applied to fetal heart monitors at the University of Tennessee Medical College. We are fortunate to

have someone of Dr. Horner's expertise in The Citadel School of Engineering.
